Learn the proven methods of DICK FINNEGAN from THE TURNOVER EXPERTS

Reduce turnover and boost employee engagement with C-Suite Analytics' Master Training: Employee Retention Intensive, a focused two-and-a-half day workshop for HR leaders.

Here is your opportunity to learn our innovative strategies to cultivate a positive workplace culture, enhance employee engagement, and refine retention tactics and align them to your organization's unique needs.

Based on C-Suite Analytics CEO and top-selling SHRM Author Dick Finnegan's ground-breaking work with Stay Interviews and Finnegan's Arrow, this advanced training is proven to cut turnover by 20% and more in every type of industry.

Our expert facilitators will guide you through practical exercises, case studies, and insightful discussions, equipping you with actionable tools to retain your talent more effectively.

Don't miss this opportunity to learn new skills to transform your retention strategies that build a thriving, engaged workforce.

### THREE CORE DELIVERABLES

1) Learn how to implement Finnegan's Arrow® including the tools, methods, and skills to facilitate three sessions:

Rethinking Retention Executive Summit®,  
The Power of Stay Interviews Training®,  
and Retention Accountabilities.

2) Discover the three best ways to cut new hire turnover by hiring employees that will stay.

3) Develop an implementation plan to CUT YOUR TURNOVER BY 20% and more in one year.

Participants will receive a complete toolkit including a playbook, participant guide, facilitator guides, power points, sample reports, and videos.

### BONUS:

- Enrollment in Stay Interview Expert Certification online course by the Finnegan Institute for one year
- Engage directly with trainers and peers for collaborative and immediate feedback
- Earn 20 SHRM Credits

= \$4,515.00  
TOTAL INVESTMENT

INCLUDES THREE-NIGHT HOTEL STAY
